

Request to Address the Board of Education

Welcome to this meeting of the District 92½ Board of Education. We are happy to have you here and welcome your comments and concerns.

If you wish to address the Board, please complete this form and hand it to the Board's recording secretary. The Board rarely acts immediately on an issue brought before it for the first time. Even with more familiar issues, the Board takes action only after its members thoroughly examine all aspects of the matter and receive a recommendation from the Superintendent. In order to accommodate all citizens who wish to address the Board, please limit your comment to three (3) minutes.
