Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Workplace Harassment Prohibited

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Report or Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in Section 5/21B-80(c) of the School Code.

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. The Superintendent or designee shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for purposes of clarifying the information, the Department of State Police and/or Statewide Sex Offender Database.

Each newly hired employee must complete an Immigration and Naturalization Service Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in Section 5/21B-80 of the School Code or who falsifies, or omits facts from, his or her employment application or other employment documents.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
3. The District does not request of an applicant or employee access in any manner to his or her social networking website, including a request for passwords to such sites.

4. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease, including tuberculosis. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Compliance with the Fair Labor Standards Act

Job Classifications

The Superintendent will ensure that all job positions are identified as either “exempt” or “non-exempt” according to Illinois law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non-exempt.” “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

Overtime

“Overtime” is time worked in excess of 40 hours in a single workweek. A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee’s written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Educational Support Personnel - Employment Termination and Suspensions*.

Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations. Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the

District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child shall: (1) immediately report or cause a report to be made to the Illinois Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement. *Negligent failure to report* occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.cybertipline.com. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

The Superintendent will encourage all District educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims of

child sexual abuse, including recognizing and reporting child sexual abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

The Superintendent shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the District as a result of an act that made a child an abused or neglected child. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

Temporary Illness or Temporary Incapacity

The temporary illness or incapacity of employees covered by collective bargaining agreements with the Board of Education will be governed by the contractual provisions of those agreements. Please refer to the current “Contractual Agreement Between School District 92 1/2 and the Westchester Education Association” and to the current “Contractual Agreement Between School District 92 1/2 and the Westchester Support Staff Association.” This policy applies to all other employees in the District.

General

An employee’s absence due to temporary disability, as defined below, will not affect his/her employment status, nor will any employee be dismissed due to temporary disabilities that prevent the performance of services. If an employee is determined by the Board to be permanently disabled, as defined in this policy, the Board may, in its sole discretion and after the employee has exhausted all accumulated sick leave and other leave entitlements, including leave pursuant to the *Family and Medical Leave Act* (the “FMLA”), terminate the employment of the permanently disabled employee for inability to perform his/her required services to the District, subject to any applicable state and federal law, including the *Americans with Disabilities Act*.

Temporary Disability

An employee shall be deemed temporarily disabled if that employee, because of illness, injury, incapacity, or for any other reason, is physically or mentally unfit to perform his/her duties and, as a consequence, is either continuously or intermittently absent from service for the same or a related illness or incapacity for:

Employed in District	Temporary Disability
0 thru 1 year	30 consecutive work days
2 thru 5 years	60 consecutive work days or the exhaustion of paid leave, whichever happens last
6 thru 15 years	less than 90 consecutive work days, or for less than 90 out of 120 work days, or the exhaustion of paid leave, whichever happens last
16 or more years	less than 120 consecutive work days, or for less than 120 out of 180 work days, or exhaustion of paid leave, whichever happens last

Permanent Disability

An employee who is absent from work because of illness or other incapacity for more than the applicable period of temporary disability defined above will be deemed permanently disabled. An employee also may be deemed permanently disabled in a time period less than the designated period of temporary disability if the Board receives a statement from a physician licensed in Illinois to practice medicine in all of its branches acknowledging the permanent nature and duration of the employee's disability.

Disability Leave of Absence

During a period of temporary disability, the employee can use accumulated sick leave benefits, as well as any accumulated personal and vacation leave benefits. The employee's right to fringe benefits, including health insurance coverage and seniority credit, during the period of a temporary disability leave is governed by the general conditions applicable to all leaves of absence in the District, including the provisions of the District's policy on Family and Medical Leave, if applicable.

However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of their gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

Any employee who is deemed to be temporarily disabled but has exhausted all his/her accumulated sick, FMLA, and other leave rights will be placed automatically on an unpaid disability leave of absence, not to exceed the period of temporary disability as calculated from the commencement of the illness or incapacity.

Computation and Verification of Absences

Time periods under this policy are computed anew at the start of a new work year. However, if an employee remains disabled at the start of a new work year from the same or a related disability that caused the employee to be absent the previous work year, then the time period shall not be computed anew but shall be continued from the previous work year.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervisor to perform health examinations if the examination is job-related and

consistent with business necessity.

Effect on Dismissals for Other Reasons

Nothing in this policy is intended to prevent the Board of Education, upon the recommendation of the Superintendent, from dismissing and not reemploying an employee at the end of any period of probationary service for the specific reason of inability to evaluate and observe that employee's performance because of excessive absences for whatever reason, including temporary or permanent disability. Nothing in this policy is intended to prevent the Board, upon recommendation of the Superintendent, from dismissing an employee for cause or pursuant to a reduction in force.

Family and Medical Leave

Employees covered by collective bargaining agreements with the Board of Education shall receive Family and Medical Leave benefits as provided in the contractual provisions, to the extent such provisions do not violate existing law. Please refer to the current "Contractual Agreement Between School District 92 1/2 and The Westchester Education Association" and to the current "Contractual Agreement Between School District 92 1/2 and The Westchester Support Staff Association."

A. General Requirements for Family and Medical Leave ("FMLA Leave")

1. Eligibility for 12 Weeks of Unpaid Leave and Purpose of Leave

Pursuant to the *Family and Medical Leave Act* (the "FMLA"), any employee who has been employed by the Board of Education for at least 12 months, and has worked at least 1,250 hours during the preceding 12 months, shall be entitled to an unpaid leave of absence of up to 12 work weeks during the Board's established 12-month period for the following purposes:

- (a) the birth of a child and to care for the newborn child, provided the leave is completed no later than 12 months after the birth of the child;
- (b) the placement of a child with the employee for adoption or foster care, provided the leave is completed no later than 12 months after the placement of the child;
- (c) to care for the employee's spouse, child, or parent with a serious health condition;
- (d) the treatment of a serious health condition that makes the employee unable to perform the functions of the job; or
- (e) a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces (i.e., covered active duty leave).

2. Calculation of 12-Month Period

Each time an employee takes FMLA leave, the remaining leave to which the employee is entitled would be any balance of the 12 weeks that has not been used during the immediately preceding 12 months. Example: If an employee has taken 8 weeks of leave during the past 12 months, an additional 4 weeks of leave could be taken. Example: An employee takes 4 weeks of FMLA leave beginning February 1, 2008; 4 weeks beginning June 1, 2008; and 4 weeks beginning December 1, 2008. In this case, the employee would not be entitled to any additional FMLA leave until February 1, 2009. However, beginning on February 1, 2009, the employee would be entitled to 4 weeks of leave; on June 1, 2009, the employee would be entitled to an additional 4 weeks, and on December 1, 2009, an additional 4 weeks of FMLA leave.

3. Eligibility for 26 weeks of Unpaid Leave -- Servicemember Family Leave

In addition to the above purposes, any employee who has been employed by the Board of Education for at least 12 months, has worked at least 1,250 hours during the preceding 12 months, and who is the spouse, son, daughter, parent, or next of kin of a covered servicemember, as provided by federal rules shall be entitled to an unpaid leave of absence of up to 26 work weeks during a single 12-month period, as described below, to care for the covered servicemember with a serious injury or illness. Such leave entitlement is a one-time entitlement per covered servicemember per injury or illness. An eligible employee may be entitled to take more than one period of 26 work weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent injury or illness, except that no more than 26 workweeks of leave may be taken within any single 12-month period.

This 26 workweek entitlement is a combined total of 26 workweeks of leave for any FMLA-qualifying reason during the single 12-month period, provided that the employee is entitled to no more than 12 weeks of leave for one or more of the purposes set forth in A.1 above.

The single 12-month period referred to in this section begins on the first day the eligible employee takes FMLA leave to care for a covered servicemember and ends 12 months after that date, regardless of the method used by the District designated in Section A.2 above to determine an employee's 12 work weeks of leave entitlement for other FMLA-qualifying reasons.

4. Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

5. Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family

member's health care provider. The District may require the employee to utilize a specific form (e.g., DOL Form WH-380-F: Certification of Health Care Provider for Family Member's Serious Health Condition) to provide such certification.

2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider. The District may require the employee to utilize a specific form (e.g., DOL Form WH-380-E: Certification of Health Care Provider for Employee's Serious Health Condition) to provide such certification.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember. The District may require the employee to utilize a specific form (e.g., WH-385: Certification for Serious Injury or Illness of Covered Servicemember -- for Military Family Leave or WH-385-V Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave) to provide such certification.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested. The District may also require the employee to utilize a specific form (e.g., WH-384 Certification of Qualifying Exigency For Military Family Leave) to provide such information.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

6. Intermittent or Reduced Schedule Leave

- (a) FMLA leave may be taken on an intermittent, or a reduced schedule, basis for an employee's own serious health condition, to care for a spouse's, child's, or parent's serious health condition, or to care for a covered servicemember with a serious injury or illness, or when necessary because of any qualifying exigency. FMLA leave may not be taken on such basis after the birth or adoption of a child or placement of a child in foster care unless approved by the Board, except in situations when the mother or newborn child has a serious health condition.
- (b) If the request for intermittent leave or leave on a reduced schedule is foreseeable based upon planned medical treatment for the employee, a family member, or a covered servicemember, including during a period of recovery from the serious health condition of the employee or his/her family member or the serious injury or illness of a covered servicemember, the Board may require the employee to transfer temporarily to an available alternate position which better accommodates recurring periods of leave, subject to the special leave rules for instructional employees in Section C.2 below.

7. Health Insurance

During FMLA leave, the Board shall maintain group health insurance coverage under the same conditions that would have been provided if the employee was working. Any share of health plan premiums being paid by the employee before taking the leave must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease. If an employee does not return to work after an unpaid FMLA leave, the employee shall repay the cost of health insurance premiums paid by the Board unless the employee's failure to return is due to (a) the continuation, recurrence or onset of a serious health condition of the employee, or the employee's family member, or a serious injury or illness of a covered servicemember, which would otherwise entitle the employee to FMLA leave or (b) other circumstances beyond the employee's control.

8. Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

9. Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices. Nothing herein shall grant the employee greater rights to reinstatement, benefits, or conditions of employment than if the employee had been continuously employed. A key employee may be denied restoration to employment if it is necessary to prevent substantial and grievous economic injury to the operations of the Board.

B. Combination With Other Leaves

Any employee qualifying for FMLA leave may be required to first substitute any other applicable paid leave (e.g., sick leave and/or vacation leave or personal leave) for unpaid FMLA leave so as to run the leaves concurrently. The substitution of accrued paid leave shall be in accordance with the terms and conditions of the Board's paid leave policies. If such paid leave is less than 12 work weeks (or 26 work weeks, as applicable), FMLA leave may then be used to allow for a total leave (whether paid or unpaid) of 12 (or 26) work weeks duration. Any leave, whether paid or unpaid, taken for an FMLA qualifying reason, shall be deducted from an employee's total FMLA leave.

The use of FMLA leave shall not preclude the use of other applicable paid or unpaid leave that would extend the employee's leave beyond 12 (or 26) work weeks, but the use of FMLA leave shall not serve to extend any such available leave. Additionally, if an employee is absent from work due to a compensable injury on the job and/or occupational disease under the Workers' Compensation Act, such absence will be deducted from the employee's 12 week FMLA entitlement if the injury/illness is one that meets the criteria for a serious health condition. However, the use of an employee's available paid leave (e.g., sick leave and/or personal leave) during an absence from work due to a compensable injury on the job and/or occupational disease under the Workers' Compensation Act, shall be optional.

C. Spouses Employed by Same Employer

1. If leave is taken by spouses who are both employed by the Board for birth or placement of a child for adoption or foster care, to care for the child after birth or placement, or to care for the

employee's parent with a serious health condition, such leave is limited to a combined total of 12 work weeks. This limitation does not apply to leave taken by either spouse to care for the other spouse or a child with a serious health condition, or for leave taken due to the employee's own serious health condition.

2. If leave is taken by spouses who are both employed by the Board to care for a covered servicemember with a serious injury or illness or in combination with a leave under Section D.1 above, such leave is limited to a combined total of 26 work weeks during the single 12-month period.

D. Administrative Procedures

The Superintendent is authorized to adopt administrative procedures, consistent with the FMLA, regarding the provision of notice of leave, medical certification, distribution of FMLA information, and recordkeeping requirements and such other matters necessary to implement the FMLA.

E. FMLA Controlling

In the event this Policy or its Administrative Procedures conflict with the FMLA, the FMLA shall control. To the extent that this Policy or its Administrative Procedures are silent on a matter covered by the FMLA, the FMLA and its implementing rules and regulations shall control.

There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

Beginning July 1, 2020, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other licensed employees, and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the School Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods which may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable force as needed to keep students, school personnel, and others safe, or for self-defense or defense of property.

Suspension

Suspension Without Pay

The School Board may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the School District. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the School District includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the School District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the School District as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Superintendent shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment

with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Leaves of Absence

Each of the provisions in this Policy applies to all professional personnel, except that administrators and teachers covered by individual employment contracts or by the Contractual Agreement Between School District 92 1/2 and The Westchester Education Association shall be afforded leaves of absences as expressly provided under the terms and conditions of the contractual provisions.

Sick and Bereavement Leave

Each full-time professional staff member is granted 13 days sick leave each school year at full pay. Unused days are allowed to accumulate to 360 days. Sick leave is defined in Illinois law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption.

As a condition for paying sick leave after 3 days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Each professional staff member shall be granted three (3) days of absence annually, due to a death, without loss of salary or use of sick leave benefits. Any additional days requested for death in the immediate family shall be deducted from the staff member's accumulated sick leave.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month

period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with The School Code.

Personal Business Leave

Professional staff members are granted two personal leave days per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal 5 days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last 5 days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the professional staff members in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election

judge. No more than 10% of the District's employees may be absent to serve as election judges on the same election day.

Leaves For Service in the Military and General Assembly

Leaves for service in the military and General Assembly shall be granted in accordance with Illinois and federal law. A professional staff member hired to replace one in military service or in the General Assembly does not acquire tenure.

Leave For Employment in Department of Defense

The Board of Education may grant teachers a leave of absence to accept employment in a Department of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to 8 hours during any school year, no more than 4 hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a Illinois or national teacher organization that represents professional staff members in collective bargaining negotiations, (2) twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a Illinois professional staff member association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Temporary Illness or Temporary Incapacity

Temporary illness or temporary incapacity is an illness or other capacity of ill-being which renders a teacher physically or mentally unable to perform assigned duties. During such a period, the professional staff member can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the professional staff member. The Board of Education's intent is that in no case will the professional staff member who is temporarily disabled receive more than 100 percent of gross salary.

A professional staff member who is absent because of disability or incapacity shall be deemed temporarily disabled in accordance with the following:

<u>Employed in District</u>	<u>Temporary Disability</u>
0 thru 1 year -	30 consecutive school days.
2 thru 3 years -	60 consecutive school days.
4 years -	60 consecutive school days or the exhaustion of paid leave, whichever happens last.
5 thru 7 years -	less than 90 consecutive school days, or for less than 90 out of 120 school days from the same illness or incapacity or the exhaustion of paid leave, whichever happens last.
8 thru 15 years -	less than 135 consecutive school days, or for less than 135 out of 165 school days from the same illness or incapacity or exhaustion of paid leave, whichever happens last.
16 or more years -	less than 180 consecutive school days, or for less than 180 out of 210 school days from the same illness or incapacity or exhaustion of paid leave, whichever happens last.

If a temporarily disabled professional staff member does not have sufficient accumulated sick leave days or unpaid leave under the federal Family and Medical Leave Act to cover the duration of his/her absence, the Board shall grant said Teacher an unpaid leave of absence for the period of temporary disability, but not to exceed the number of days shown above as calculated from the onset of the disability. The Board may grant any professional staff member who is deemed permanently disabled (i.e., absent for more consecutive school days than allowed above) and whose accumulated sick leave has been exhausted an extended unpaid leave of absence in accordance with the terms and conditions applicable to all unpaid leaves as set forth in Sections 6.6 and 6.7 of this Agreement. Pregnancy shall be treated as any other disability or incapacity for purposes of this provision.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

After the determined temporary disability based on the years of employment in the District, such illness or incapacity shall be considered a permanent disability and the Board of Education may begin dismissal proceedings subject to the provisions of The School Code and the Americans with Disabilities Act.

Student Teachers

The Superintendent is authorized to accept students from university-approved teacher-training programs to do student teaching in the District. No individual who has been convicted of a criminal offense that would subject him or her to license suspension or revocation pursuant to Section 5/21B-80 of the School Code or who has been found to be the perpetrator of sexual or physical abuse of a minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987 is permitted to student teach.

Before permitting an individual to student teach or begin a required internship in the District, the Superintendent or designee shall ensure that:

1. The District performed a *105 ILCS 5/10-21.9(g) Check* as described below; and
2. The individual furnished evidence of physical fitness to perform assigned duties and freedom from communicable disease pursuant to 105 ILCS 5/24-5.

A *105 ILCS 5/21.9(g) Check* shall include:

1. Fingerprint-based checks through (a) the Illinois State Police (ISP) for criminal history records information (CHRI) pursuant to the Uniform Conviction Information Act (20 ILCS 2635/1), and (b) the FBI national crime information databases pursuant to the Adam Walsh Child Protection and Safety Act (P.L. 109-248);

3. A check of the Illinois Murderer and Violent Offender Against Youth Registry (Murderer and Violent Offender Against Youth Community Notification Law (730 ILCS 154/75-105).

The School Code requires each individual student teaching or beginning a required internship to provide the District with written authorization for, and pay the costs of, his or her 105 ILCS 5/21.9(g) check (including any applicable vendor's fees). Upon receipt of this authorization and payment, the Superintendent or designee will submit the student teacher's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department of State Police. The Superintendent or designee will provide each student teacher with a copy of his or her report.

Employment At-Will, Compensation, and Assignment

Employment At-Will

District employment is at-will, meaning that employment may be terminated by the District or employee at any time and for any reason, except that dismissal for reduction in force requires 30 days notice before the employee is removed or dismissed. Educational support personnel are granted seniority and recall rights within their respective categories of position as prescribed by law and the collective bargaining agreement. Nothing in Board of Education policy is intended or should be construed as altering the employment at-will relationship.

Compensation and Assignment

The Board of Education will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. Educational support personnel are paid twice a month. The Superintendent is authorized to make assignments and transfers of educational support personnel.

Employees covered by collective bargaining agreements with the Board of Education shall receive compensation and assignments as provided in the contractual provisions. Please refer to the current "Contractual Agreement Between School District 92 1/2 and The Westchester Support Staff Association."

Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches

Athletic coaches shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid and CPR training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Employment Termination and Suspensions

Resignation and Retirement

An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have an employment contract may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay (1) as a disciplinary measure, (2) during an investigation into allegations of misconduct, or (3) pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) except as allowed by the *Fair Labor Standards Act* when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee temporarily as recommended.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

2. Allow for the ability to respond to changing circumstances by altering work schedules as needed; and
3. Consider the well-being of the employee. The Superintendent's approval is required to establish a flexible work schedule or job-sharing.

Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment;
or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Employees covered by collective bargaining agreements with the Board of Education shall receive overtime/compensatory time as provided in the contractual provisions. Please refer to the current "Contractual Agreement Between School District 92 1/2 and The Westchester Support Staff Association."

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 340 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

An Employee who is eligible for IMRF benefits shall be granted three (3) days of absence annually, due to a death, without loss of salary or use of sick leave benefits. Any additional days requested for death in the immediate family shall be deducted from the Employee's accumulated sick leave.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>	<u>Maximum Vacation Leave Per Year</u>
Up to 5 years' service	10 Days per year
Upon completion of more than 5 full years of service	15 Days per year
Upon completion of more than 15 full years of service	20 Days per year

Vacation days earned in one fiscal year must be used by the end of the same fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
Abraham Lincoln's Birthday	Veteran's Day
Casimir Pulaski's Birthday	Thanksgiving Day
Memorial Day	Christmas Day
Independence Day	

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Personal Business

1. At the beginning of each school year, full-time educational support personnel shall be credited with two (2) days to be used for personal business. Personal business days shall be available for the practice of individual religious preferences. If an Employee has exhausted all personal business leave during the school year and must be absent for a valid reason of an emergency or non-avoidable nature (e.g., religious holiday), the Employee may request that one (1) sick day annually be converted for personal business use. Such a request, accompanied by a substantiated reason, must be submitted to the Superintendent for approval within the timelines set forth below.
2. Notification to use personal business days shall be at least five (5) work days in advance, except in cases of emergency. Response from the administration regarding personal business days shall be within two (2) days of the Superintendent's verified receipt of the written request for personal business leave at the District Office.

3. Personal business days shall not be used immediately before or immediately after a vacation or holiday, or the first or last week of the school year. An exception may be granted at the discretion of the Superintendent.
4. Personal business days shall not be approved for the purpose of taking a vacation during the school year.
5. Unused personal business leave days may accumulate to four (4) days. Accumulated days beyond four (4) days shall be transferred to the Employee's sick leave at the start of the following year.

Leave to Serve as a Trustee of the Illinois Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Illinois Municipal Retirement Fund in accordance with 105 ILCS 5/24-6.3.

Other Leaves

Educational support personnel receive the following leaves on the same terms and conditions granted professional personnel in Board policy 5:250, *Leaves of Absence*:

1. Leaves for Service in the Military and General Assembly.
2. School Visitation Leave.
3. Leaves for Victims of Domestic or Sexual Violence.
