NOTE: It is contrary to the policy of the Board of Education to admit students who do not legally live with their parents or legal guardians within District 92½ boundaries. The information you provide will be used by school officials to help establish the eligibility of each applicant for admission. Falsification of information on this form or otherwise submitted to the District may result in your child being excluded from school, and may expose you to monetary liability under Illinois law for payment of tuition for such time as your child was illegally enrolled in the District. Further, Illinois law has made it a crime, punishable by imprisonment and fine, to knowingly or willfully present any false information regarding the residency of a student for purposes of enabling that student to attend on a tuition-fee basis or to knowingly enroll or attempt to enroll a student on a tuition-free basis when the student is known to be a non-resident of the District. The District will seek prosecution to the full extent of the law of any person who the District believes has committed any residency-related crime. Additionally, a civil lawsuit may be initiated by the District. Any costs associated with investigation into fraudulent residency will be sought after from those attempting to enroll illegally, including annual tuition.
